The Secretary to the
Government of Mysore
Mugrai Department.

Sir,

As much inconvenience
is felt for want of a Makadwaram
or Main Entrance into the Sri Rama
-swami & Sri Ramadevaru Temple
at Chamarajpet, Bangalore
City, I submitted with my letter
of the 11th November 1905 an Estimate
amounting to Rs 999/- (framed inland
proper scrutiny) for Constructing
the Makadwaram, but in Proc:
of the 11th January 1906, the Government
were pleased to say that the Construction

of the Mahadwaram would be
Sanctioned if some contribution
is collected from private Subscriptions.
I have ever since been trying to collect
Some Contribution & was able to
collect materials of the value of Rs200/.

I beg therefore to Submit herewith
an Estimate with plan amounting
to Rs1284/. for the Construction of
the Mahadwaram in a Substantial
manner, as the one submitted by
me in November 1905 was framed
without proper Scrutiny, and request
that You will be pleased to obtain
the Sanction of Government to the Same
as I find it difficult to collect anything
more in the Shape of Contribution &
the work cannot be postponed since
the Temple was consecrated so far back
as 1905.

I beg to remain
Sir
Your most obedient Servant.

Proceedings of the Govt. of H.H.

Read:-

Petition dated the 25th January 1909 from the President of the Sri Rameswara and Ramadevaru Temple Committee, Chamarajpet, Bangalore City, submitting for the sanction of Government an estimate amounting to Rs.1784, for the construction of a Mahadwaram to the said temple.

(Estimate & one Plan).

Order thereon:- No.

The construction of the Mahadwaram was one of the items of improvements to the temple for which Government aid had been sought by the temple committee in 1905. But in G.O. No.2900-2 dated 11th January 1906, the Government sanctioned only the amount required for completing the Gopuram and kitchen, with the observation that the construction of the Mahadwaram, though necessary, could wait for some time and that the Committee should, in the mean while, exert themselves and collect contributions for the purpose.

2. The President of the Committee now reports that only Rs.200 worth of materials have been collected so far and that it is found difficult to collect anything more in the shape of contribution and prays that, as the work

cannot be postponed any longer, the estimate may be sanctioned.

3. Under the circumstances, the Government of H. F. the Maharaja are pleased to sanction a contribution of Rs.1000 for the construction of the Mahadwaram, the charge being met from the current year's State Grant. The Comptroller is requested to credit the sanctioned amount to the funds of the institution and make payments therefrom on bills signed by the President of the temple committee and countersigned by the Secretary to Government, General & Revenue Departments.
